THE OXFORD HANDBOOK OF MAXIMUS THE CONFESSOR (HARDBACK)

[DOWNLOAD](#)

Oxford University Press, United Kingdom, 2015. Hardback. Condition: New. Language: English . Brand New Book. Maximus the Confessor (c.580-662) has become one of the most discussed figures in contemporary patristic studies. This is partly due to the relatively recent discovery and critical edition of his works in various genres, including *On the Ascetic Life*, *Four Centuries on Charity*, *Two Centuries on Theology and the Incarnation*, *On the Our Father* , two separate *Books of Difficulties*, addressed to John and to Thomas, *Questions and Doubts*, *Questions to Thalassius*, *Mystagogy* and the *Short Theological and Polemical Works*. The impact of these works reached far beyond the Greek East, with his involvement in the western resistance to imperial heresy, notably at the Lateran Synod in 649. Together with Pope Martin I (649-53 CE), Maximus the Confessor and his circle were the most vocal opponents of Constantinople's introduction of the doctrine of monothelitism. This dispute over the number of wills in Christ became a contest between the imperial government and church of Constantinople on the one hand, and the bishop of Rome in concert with eastern monks such as Maximus, John Moschus, and Sophronius, on the other, over the right to define orthodoxy. An understanding of the difficult relations between church and state in this troubled period at the close of Late Antiquity is necessary for a full appreciation of Maximus' contribution to this controversy. The editors of this volume aim to provide the political and historical background to Maximus' activities, as well as a summary of his achievements in the spheres of theology and philosophy, especially neo-Platonism and Aristotelianism.
