URBAN FORESTRY: TOWARD AN ECOSYSTEM SERVICES RESEARCH AGENDA: A WORKSHOP SUMMARY (PAPERBACK)

National Academies Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Much of the ecological research in the past decades has focused on rural or wilderness areas. Today, however, ecological research has been taking place in our cities, where our everyday decisions can have profound effects on our environment. This research, or urban ecology, includes an important element, trees. Trees have had a variety of environmental benefits for our environment including the sequestering carbon, reducing urban...
