Despite public outcry at home and international opposition abroad, the Bush Administration deployed troops and invested millions in preparation for a massive military assault on Iraq. In this Open Media Series special edition, three legal scholars from the Center for Constitutional Rights argue persuasively that the looming war against Iraq is both unnecessary for national security, and illegal. A timely and much needed anti-war primer, Against War with Iraq contains the core facts and analysis needed to understand the issues and become an effective advocate against hawkish U.S. foreign policy.
