Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An English Primary School Incoherent this book is. A series of fragmentary questions in the science of teaching, and not one of them more than partly answered. We have tried to free ourselves from the idola of the class-room, to seek a continuity with the past on the one hand and a future on the other. We have invoked the Spirit of Play, that by him our work might be made natural, vigorous and fruitful. We have tried to make the intercourse of our little community as free and wholesome as that of a family. We have hoped to make our activities real and purposeful, stimulating the mind as purposeless employment must always fail to do. It is important to know, to learn first by experience and afterwards through books, but it is more important to live.
