Marciaamurphy, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In 2004, Marcia joined a guided tour to John of God s Healing Center in Brazil in an effort to find the missing link preventing her recovery from a twenty-year chronic illness. Modern and alternative medicine had nothing left to offer and her three year effort at applying a mind-body-spirit approach had resulted in only a temporary reprieve of symptoms. In this special place the true cause of Marcia s illness is revealed to her in a series of incidents to defy the imagination. When she becomes clear that her inability to feel love is at the cause and core, she makes multiple trips to address the heart of her health challenges. This results in a profound healing which changes the course of her life. In Coming Home to Love Marcia shares her intimate inner journey which will touch your heart as you recognize familiar life circumstances we all face at one time or another. You will understand how the choices you make and your responses to people and life events can affect not only emotional well-being, but also the strength of your immune system and thus your health. With so many people suffering today, it is impossible not to share what I learned about the power of Love to heal. When a sincere desire exists to end separation from Divine Love and self-love, miracles can happen to anyone at any time without ever leaving home.
