

Digital Drawing - 10 Minutes a Day: Commute and Draw (Paperback)

Filesize: 2.65 MB

Reviews

This book is definitely worth buying. This really is for all who statte there had not been a worthy of studying. You will not sense monotony at at any moment of the time (that's what catalogs are for concerning should you check with me).
(Mr. Martin Baumbach)

DIGITAL DRAWING - 10 MINUTES A DAY: COMMUTE AND DRAW (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Book that teaches beginners how to draw digitally. It encourages learners to use spare minutes every day to gain this skill. The foundations of drawing are taught in a systematic manner. Following the steps, it is possible to become an artist after repeated practise. With practise and time, the learner will definitely improve. Below is the prologue from the book. Further down is the content page and parts of chapter 1. PROLOGUE This book was initially conceived as a record of my own learning journey. It morphed as I believe it is more useful to write in a manner that will help others. Now walk with me. Those who wish to draw confidently will find that the book has various nuggets of wisdom. I might have learned these the hard way, but you can learn from my hiccups to accelerate towards confidence. You do not need to own a computer nor even a phone, just plain old pencil and paper will suffice for drawing.but it helps to do so digitally. Tell you why in the first chapter. This book detours regularly to show you how I draw using my chosen tools, Microsoft Surface Pro and Autodesk Sketchbook Pro. These are purely my preferences, and my wife would say my indulgence, at the expense of the family coffers. Love you. Smooch. Thanks from DeviantArt community for the suggestion to write a prologue. It does help to anchor my thoughts and ensure I write for the right learner. See you on DeviantArt. CONTENTS Begin with the end in mind See shapes and then draw them See shades and draw them See shadows and . See negative space Copy - creatively Complex shapes Composition CHAPTER...
