Penguin Putnam Inc, United States, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A valuable primer on foreign policy: a primer that concerned citizens of all political persuasions--not to mention the president and his advisers--could benefit from reading. --The New York Times An examination of a world increasingly defined by disorder and a United States unable to shape the world in its image, from the president of the Council on Foreign Relations Things fall apart; the center cannot hold. One critical element of this adjustment will be adopting a new approach to sovereignty, one that embraces its obligations and responsibilities as well as its rights...
