SECURITY RESEARCH CONFERENCE: 11TH FUTURE SECURITY (PAPERBACK)

Fraunhofer Verlag, 2016. Paperback. Condition: New. Language: English . Brand New Book. Most industrialized countries benefit from a high level of both safety and security. However, it becomes increasingly challenging to maintain or to increase this standard even further, given the great challenges the world is facing. Innovative technical solutions such as intelligent sensing systems and sensor networks are required. These hold the promise that hazards and threats can be detected early enough to avoid severe adverse impact, while allowing...

Reviews

Complete guide for publication fanatics. It is full of knowledge and wisdom You will not really feel monotonous at any time of your respective time (that's what catalogues are for about should you question me).

-- **Arely Dare**

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. Its been designed in an extremely basic way which is merely right after i finished reading through this publication where basically altered me, change the way i believe.

-- **Kitty Crooks**
