This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.

Brand New Book ***** Print on Demand *****.Excerpt from The Scotch-Irish Shibboleth Analyzed and Rejected: With Some Reference to the Present Anglo-Saxon Comedy IN these latter days of the Nineteenth Century we are hearing a great deal about this race and that; we are being told of the virtue and genius of this one, of the vice and incapacity of that; and our ears are bombarded with clamor and claptrap as wearisome as it is nonsensical. It is just as well when these matters come before us to keep cool and make use of such common sense as God has endowed us with. The ponderous nonsense wasted on the Teutonic, Latin, and anglo-saxon races means absolutely nothing when analyzed; it represents as a rule the vanity or prejudice of the writer and his clientele; and the terminology of race is as misleading as it is unscientific. The number of writers who bring to history and ethnology the same cool, scientific spirit that a botanist or geologist brings to plants and strata can be counted on the fingers of one hand. Our knowledge of the different races which peopled early Europe is as vague and fragmentary as our knowledge of the people of Atlantis. The sources of our knowledge appear to be a few allusions in the works of classic writers, who either got their information at second hand from the officers and soldiers serving in the armies of Greece and Rome, or,...
