Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book contains fifteen different translations of the Holy Bible as compared to the King James Version. Also included are two vintage, critical and explanatory commentaries written long before the distractions of today's technology age, which offer a fresh, new view on the End Times prophecies that today are so important that we all understand them. Commentaries included are the Commentary Critical and Explanatory on the Whole Bible and John Wesley's Notes on the Bible. In addition to the King James Version 1769, the...
