Brand New Book ***** Print on Demand *****.Inner wisdom comes not only in the form of theory or intellectual knowledge. It is a more profound concept. Every experience in your life has its hidden wisdom waiting for you to discover it. The times of the few chosen ones is over. Knowledge is in the open right now. Knowledge won t choose to find you, but you will choose to search for it, recognise it and apply it. Remember that knowledge without action is wasted information. Information saved in a book is only potential power. It needs you to come alive and serve a purpose. And after sometime of trial and error in life, you find out that there is no better...
