WELCOME TO THE GODDAMN ICE CUBE: CHASING FEAR AND FINDING HOME IN THE GREAT WHITE NORTH (PAPERBACK)

Ecco Press, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A rich and revelatory memoir of a young woman confronting her fears and finding home in the North. Blair Braverman fell in love with the North at an early age: By the time she was nineteen, she had left her home in California, moved to Norway to learn how to drive sled dogs, and worked as a tour guide on a glacier in Alaska. By turns funny and sobering, bold and tender, *Welcome to the Goddamn Ice Cube* charts Blair's endeavor to become a tough girl --someone who courts danger in an attempt to become fearless. As she ventures into a ruthless arctic landscape, Blair faces down physical exhaustion--being buried alive in an ice cave, and driving a dogsled across the tundra through a whiteout blizzard in order to avoid corrupt police--and grapples with both love and violence as she negotiates the complex demands of being a young woman in a man's land. Brilliantly original and bracingly honest, *Welcome to the Goddamn Ice Cube* captures the triumphs and the perils of the journey to self-discovery and independence in a landscape that is as beautiful as it is unforgiving.
