Discovery Walking Guides Ltd. Sheet map, folded. Book Condition: new. BRAND NEW, Fuerteventura Super-Durable Map, David Brawn, Ros Brawn, Fuerteventura Super-Durable Map is a large (100k) scale topographical map of the island detailing all the major, secondary and minor tarmacked roads plus dirt roads and walking trails, including the GR131 official route, on a 840mm by 700mm Super-Durable map sheet which folds to a pocketable 235mm by 120mm using a specialist 'concertina map' fold which ensures easy opening, and more importantly easy refolding. Altitude background colouring clearly shows the altitude range when travelling around the island by car, bus, bike or on foot. 100 metre contours compliment the altitude colouring along with a large number of individual height points and all of the official 'Trig' points. Our useful symbol range includes miradors, picnic areas, petrol stations, bar/restaurants and parking areas where you can pull off the road safely. You will easily identify springs, caves, sports grounds, cemeterys, churchs, chapels, lighthouses, towers and forts, camping areas, wind turbines, hotels etc. On the reverse of the map sheet large (10k) scale street plans of Corralejo, Calle de Fuste, Costa Calma, Morro Jable, plus central Puerto del Rosario, make it easy to find your way around the resort areas. It all adds up to the most useful map of Fuerteventura that you can buy. In use maps have a very tough life so you will appreciate our specialist concertina map fold that allows you to quickly open the map, and more importantly fold it back up to its pocket size after use. Paper maps will always suffer from the repeated unfolding, folding to the section you want to use, and then refolding. We recommend everybody to use our Super-Durable Map printed with 100% oxygenation inks on Polyart by the UK's leading map printer,...
