In the Place of Language: Literature and the Architecture of the Referent (Hardback)

By Claudia Brodsky

Fordham University Press, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book. The place in the title of Claudia Brodsky's remarkable new book is the intersection of language with building, the marking, for future reference, of material constructions in the world. The referent Brodsky describes is not something first found in nature and then named but a thing whose own origin joins language with materiality, a thing marked as it is made to begin with. In the Place of Language: Literature and the Architecture of the Referent develops a theory of the referent that is thus also a theory of the possibility of historical knowledge, one that undermines the conventional opposition of language to the real by theories of nominalism and materialism alike, no less than it confronts the mystical conflation of language with matter, whether under the aegis of the infinite reproducibility of the image or the identification of language with Being. Challenging these equally naive views of language - as essentially immaterial or the only essential matter - Brodsky investigates the interaction of language with the material that literature represents. For literature, Brodsky argues, seeks no refuge from its own inherently iterable, discursive medium...
