OFF THE BUS, INTO A SUPERCAR!: HOW I BECAME A TOP TV STAR AND CELEBRATED INVESTOR (HARDBACK)

Balboa Press, 2014. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I did it my way! So can you! As the son of a teacher and a retired army officer, I would never in my wildest dreams have thought that the company I started without a penny to my name would become a multi-million-dollar business. Or that the president of the United States of America - the land of entrepreneurs - would invite me to the White House to talk about entrepreneurship or that the Turkish prime minister, who leads the 16th largest economy in the world, would hand me a letter to deliver in person to President Obama. I couldn't have imagined that I would one day be on CNN International commenting on President Obama's Washington summit or that I would be one of the 110 Dragons from 22 countries on the most important entrepreneurship TV show in the world, Dragons Den (Shark Tank in the US). I had no money, no one to help me or back me up in the beginning but all those things really happened. I wholeheartedly believe that our beautiful world is one where dreams are capable of becoming reality so long as we work towards the realization of those dreams. I wish for everyone to be able to look at the world in the same optimistic way as I do, to see the bigger picture in the same frame. If the son of a teacher and army officer can find success, then I am sure that you can too, but probably much more easily. I am confident that, once you start reading this book, you won't be able to put it down.
