Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Philosophy begins in wonder . and comedian Robin Williams is a philosopher. Whether he is playing Peter Pan or standing on a bare stage talking about his newborn child, this man expresses a sense of wonder at the closely-seen marvels of new life and a sense of the absurd about grown-ups. Wonder is special domain of children and those souls who-may-grow-old-but-refuse-to-grow-up in our daily-increasing, global- conformity, peer-pressure world of standardized expectations. Robin Williams and Jesus of Nazareth--now there s a pair! But unless you become like these little children, you shall not enter the Kingdom of Heaven sounds like a blessing or a threat on our style of living. Style or manner of living goes to the heart of being human. Consider: The inanimate world does not possess a style or a set of mannerisms. Rather, our experience of it is as a lump of something that we manipulate in chemistry lab or woodworking class. The evolutionary folks like I. A. Oparin teach about atoms evolving greater stability as they grow to mega-molecule virus size and make evolution understandable on the level of chemistry--- and it still looks like a lump. The plant world does not have a style: it just sits there and takes it: rain, hail, wind, sunshine all appear to be one and the same to it. But even the single- celled creatures are light-years beyond rock crystals in its dynamic activities of nutrition, growth, and reproducing its offspring out of a piece of itself A biologist s whole life can be devoted to just one aspect of cell biology like microbial genetics or plant cell physiology. At the level of higher...
