Reviews

This ebook is worth purchasing. It is written in straightforward words and not hard to understand. You will not feel monotony at any time of your respective time (that's what catalogs are for about in the event you ask me).

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book will take you to the world of poetry, where you can find different taste of poetic creation. My new conversational dialogue method will certainly attract your interest. You can find the story being depicted in some of the poems while other flows in poetic imagination: Just see the short blurb: A boy and a girl fall in love with each other over phone, do their relationship continue when they met in reality? Vision less person is wandering How beautiful the world is! Is the world beautiful? Are the human beings living in close harmony with each other? Raj bad deeds surprisingly landed him to heaven; did he got chance to sit out there forever? Was he satisfied with the place he reached at last? Two neighbour fights over a piece of land. Finally, who gets the land? Does it go to the actual owner? Jonny saw thousand rupee note on the ground, Was he able to pick it up? Trees are pleading human, not to uproot them completely. Will human being listen to them? Tom wants peace, do he really wants peace? Will the never ending mental battle fought in the minds of all people finally ends? Rahul earned a lot of money for his upcoming generations, was he satisfied with the amount he earned? The simplicity of language, realistic interpretation of society and moralizing tone is what makes the book worth reading.
