G Publishing, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Barack Obama's rise to the presidency of the United States was an awesome journey. For two years I watched him soar to greatness and I was overwhelmed with an enormous sense of pride. I was particularly moved by the colossal amount of support he amassed around the world, capturing the heart and hope of people of all ethnic and racial backgrounds. In my personal view of the portraits, I captured humility, strength, and power which typifies Obama's rise to the presidency of the United States. Equally important to me was President Obama's intellect and infectious smile which captured my heart. I hope you enjoy the artwork as much as I enjoyed creating them.
