Latin Inscriptions in Oxford (2nd Revised edition)

By Reginald H. Adams

The Bodleian Library. Paperback. Book Condition: new. BRAND NEW, Latin Inscriptions in Oxford (2nd Revised edition), Reginald H. Adams, For the first six centuries from the institution's foundation, Latin was the language spoken and written at the University of Oxford. It's no surprise, then, to find that the inscriptions carved into the monuments, colleges and municipal buildings of the city are for the most part also in Latin. It is also a language which lends itself to compression, so an inscription in Latin uses fewer characters than English, for example, saving space and money. But what do they all mean? For this book Reginald Adams has assembled, translated and explained a wide selection of Oxford's Latin inscriptions (and a few Greek ones). These can be found in many accessible places in both city and university, dating from the medieval period to the present day. Their purposes range from tributes and memorials to decorations and witty commentaries on the edifice that they adorn. The figures commemorated include Queen Anne, Roger Bacon, Cardinal Wolsey, Cecil Rhodes, T. E. Lawrence and a kind landlady who provided 'enormous breakfasts', as well as other eminent scholars and generous benefactors. These evocative mementos of the past...

Reviews

This pdf is indeed gripping and exciting. it was writtem quite completely and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Kurtis Parisian**

Merely no phrases to describe. It generally does not price an excessive amount of. Its been designed in an extremely simple way in fact it is simply soon after i finished reading through this pdf through which really altered me, modify the way i really believe.
