PRO SQL SERVER ADMINISTRATION

Apress. Paperback. Condition: New. 450 pages. Pro SQL Server Administration brings SQL Server administration into the modern era with strong coverage of hybrid cloud environments, in-memory support, and installation on Server Core. This comprehensive guide to SQL Server Administration for today's DBA helps you to administer the new and key areas of SQL Server, including columnstore indexes and non-relational indexes that form an important part of the in-memory feature set introduced in 2014. You will also be guided through the...

Reviews

The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me).

-- **Ernest Bergnaum**

The book is straightforward in go through easier to recognize. it was actually writtem extremely perfectly and useful. I am very happy to explain how this is actually the greatest publication i have read through within my individual life and might be he finest ebook for actually.

-- **Gladys Conroy**

A high quality book as well as the font applied was exciting to read through. This can be for all those who statte there was not a well worth looking at. I discovered this ebook from my i and dad recommended this ebook to find out.
