Midnight Tomorrow Books, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. I am the daughter of Elaar, born in a world very far removed from this one. My long ago love brought me here, to Home, and dropped me at the feet of Soldiers, knowing that they d kill me for being my mother s child. It was punishment for letting Others steal ours. [You can t tell them that!] the demon scowls. Disoriented and alone, Lira s dream of returning to her exiled mother s and murdered father s place of birth has turned into a nightmare. Today is her missing daughter s second birthday, and now all hope of finding her is gone. Her daughter s father brought her here, to Home, and He intentionally set her on the wrong side of the country. As punishment, as retaliation, as a second abandonment. This region of grass and hills still screams from the gender-driven civil war that ravaged it two generations ago, and Lira barely opens her eyes before becoming as hunted as her mother once was. Taken hostage by a unicorn and close to death, she narrowly escapes to The Trees, the place her parents had lived, and fought, and loved in. Only there s no such place as safe. She s haunted by her past as she explores her mother s, and no matter which way she goes, she s fully aware that she s wandering a hallway of trees that can only lead her right back to Him.
