In relation to the population of the Colonies at that time, it had the largest sale and circulation of any book in American history. Common Sense presented the American colonists with a powerful argument for independence from British rule at a time when the question of independence was still undecided. Paine wrote and reasoned in a style that common people understood; forgoing the philosophy and Latin references used by Enlightenment era writers, Paine structured Common Sense like a sermon and relied on Biblical references to make his case to the people.
