American Impressionism (Hardback)

By William H. Gerdts

Abbeville Press Inc., U.S., United States, 2000. Hardback. Condition: New. Language: English . Brand New Book. This exquisite little volume will satisfy the ever-growing passion for American Impressionism. The concise text-written by Dr. William H. Gerdts, the preeminent scholar in the field-provides a vivid summary, starting with the roots of American Impressionism and its relationship to French Impressionism. The book then recounts how American Impressionism progressed from an avant-garde aesthetic assaulted by critics to its years of triumph and its diverse manifestations throughout the country. All of the master works are here in full color, from Childe Hassam's sun-drenched gardens to John Twachtman's snow-silenced landscapes, from Edmund Tarbell's coolly elegant ladies in dim, luxurious interiors to Frederick Frieseke's light-dappled nudes. With its wealth of breathtaking illustrations, American Impressionism offers lasting pleasure to anyone beguiled by the loveliness of this incomparable style.

Reviews

Certainly, this is the very best work by any writer. It is loaded with knowledge and wisdom I am just quickly will get a satisfaction of reading through a created publication.

-- **Donavon Okuneva**

This book is so gripping and fascinating. Of course, it is actually perform, still an interesting and amazing literature. You will not feel monotony at anytime of your respective time (that's what catalogs are for about in the event you request me).
