

College Road: A Worktext for Preparing High School Students for College Application and Beyond

By Rocky Chang

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Education is often regarded as the road to a successful life, and that road often ends at college where students are shaped into foundation of the future of our world. For students to be successful, the preparation needs to start long before their junior year. This worktext is a tool book that explains and guides students throughout high school as they work to discover their interests, motivation, and goals by documenting their progress every step of the way. Parents can join in on the process and facilitate students development and engage in meaningful discussions about their child s growth as a student and as an individual. The book comes with explanations about the college admission process and exercises for students to engage in, so they not only understand what needs to be done but also undergo reflective exercises that will give them opportunities to cultivate their strengths and uniqueness.
