Enliten Management Group Incorporated, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is written for business individuals in a position to provide, support, use and/or enhance enterprise communications: Video and media managers; video producers; visual and electronic graphics specialists; webmasters; IT and telecommunications specialists; trainers and educators; merchandising and marketing executives; and executive management and corporate communicators. It is a resource for information of, from and about enterprise communications that: Provides an overview of driving applications in the enterprise: Communications, training and education, and merchandising-based advertising, marketing and promotions. Generates ideas and inspiration to implement systems and solutions that improve communications throughout your organization. Helps you understand the needs and requirements of your customers, as well as other functional support groups in your organization. Provides a perspective of what your peers are doing in other organizations. Gets everyone in your organization involved in the delivery of visual communications, on the same page. Will be a quick reference guide for definitions, terms and acronyms. The Figures and information included in the Charts, Tables and Resource Section can be a quick reference tool and a helpful desktop guide. Contents: In the first two sections, Enliten s Randy Palubiak covers key considerations and perspectives to address when selecting the method(s) of delivering your content, including criteria and guidelines comparing Terrestrial, Satellite and Hard Media delivery options. Enliten s Chief Technologist, Edward Behan provides an overview and perspective on technologies, formats and standards that will affect how we communicate today and into the future as he covers advanced video compression technology, MPEG-4, Windows Media 9 and other topics of interest. In his section, Instructional Media Selection Guide for Distance Learning, Dr. Jolly Holden addresses the strengths and weaknesses of delivering instructional media for Distance...
