Matthew's Enigma: A Father's Portrait of His Autistic Son

By Matei Calinescu

Indiana University Press. Paperback. Book Condition: new. BRAND NEW, Matthew's Enigma: A Father's Portrait of His Autistic Son, Matei Calinescu, "Matthew's Enigma" unfolds the complex relationship between a father, who is a Romanian emigre and distinguished university professor, and his son, who was diagnosed with autism when he was 7 years old. Matei Calinescu's desire to understand Matthew - the bearer of his name - is the theme of this moving memoir. Calinescu's determined search for the meaning of his son's enigmatic illness continues even after Matthew's sudden death at age 25. Reminiscences about Matthew's life are interwoven with observations of his behaviour and reflections on the difficulties that autistic persons encounter in social situations. Drawing from journals that he kept, beginning with Matthew's birth, as well as from his experience as a scholar of literature and philosophy and a reader of psychologists' and brain scientists' writings about autism, Calinescu has composed an inspiring and lyrical essay about love and illness, memory and forgetfulness, sociability and alienation.

Reviews

This pdf might be really worth a go through, and far better than other. It can be packed with wisdom and knowledge Its been written in an exceedingly straightforward way and is particularly only soon after i finished reading through this pdf by which basically changed me, modify the way in my opinion.

-- **Earnestine Blanda**

The best pdf i possibly go through. it was writtern quite properly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
