South West Coast Path: Padstow to Falmouth: From golden beaches to rugged coves around Britain's southernmost tip (Paperback)

By John Macadam

AURUM PRESS, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. The South West Coast Path is the longest of Britain's National Trails, following the spectacular coastline for 630 miles around the southernmost tip of England from Somerset all the way to Dorset. This volume of the Official National Trail Guide, published in association with Natural England, features the second section of 169 miles (271 km), from Padstow in north Cornwall to Falmouth on the south coast. Besides truly wild sea-life like seals and fulmars, the Path offers the only chance anywhere in the country to see the delightful red-beaked chough. For the holiday stroller or the long-distance walker, this official guide contains everything you need. This new edition has been fully updated and revised, and completely re-designed with many new photographs, for 2013. It features Ordnance Survey 1:25,000 maps for...
