TELEVISION AND DEVELOPMENT OF WOMEN

Mittal Publications, New Delhi, 2006. N.A. Book Condition: New. xiv+178pp Television is considered a giant medium of mass communication. Due to an audio-visual combination it has thrown back all other media. This book provides the pattern of televiewing among Indian women and the social factors in determining such patterns. It highlights the impact of televiewing in areas of education, social, economic, political, health and environment. It makes women aware about their social, economic and political rights. The study suggests that..

Undoubtedly, this is the best function by any writer. This really is for those who state there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.
