

Human Physiology (Classic Reprint) (Paperback)

Filesize: 5.85 MB

Reviews

Extremely helpful to all category of individuals. I have got go through and that i am confident that i will likely to read through once again again later on. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Nikita Herzog)

HUMAN PHYSIOLOGY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Human Physiology This work is intended for those who desire an easy introduction to die study of the Human Frame. The matter embraces those parts of the subject which arc contained in the Elementary Syllabus of the Science and Art Department, but is not confined strictly within those limits. A short chapter on the Ear has been added (thus completing the outline of the organs of special sense), and also another on the Larynx and the Voice. And again, although the students working according to this Syllabus are not required to obtain any information upon points of structure needing the use of the compound microscope with the exception of the characters of the corpuscles of the blood, yet in many other instances such information has been given. It is eminently desirable that the student should avail himself of every opportunity of making his study thoroughly practical. The author therefore has given, here and there, many hints as to how he should proceed in easy dissections; and has introduced a number of simple experiments, so that the knowledge gained may be of a sound character. It is too often felt that such practical and experimental methods of acquiring information are roundabout and tedious; but the author s experience has taught him to affirm that it is the readiest, surest, and certainly the most pleasant way of attaining the end in view. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
