Projects are made in affordable yarns, especially for large pieces and ones that take a beating, like kitchen accessories. The unique patterns you'll discover are from some of today's hottest crochet designers and range from simple to intermediate, but all are undeniably irresistible. Let Brett and friends show you their cheerful, affordable, and occasionally humorous take on home decor.

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
