Yes, the real life of a top model is far from a glossy cover! When your boyfriend is a bastard and your girlfriend betrayed you When the series of murders happened in your new house and police accuses you in theft of a 10 million diamond necklace Too many troubles just for one person! This spicy plot takes place on the Mediterranean Riviera in the cozy Spanish town, favored by the British aristocracy. However the external calm is an illusion, and the unhurried resort life of millionaires has transformed into a continuous turmoil. How did they cope with troubles, you may learn by reading this fascinating novel. Although this detective story seems to be tragic and sometimes even unrealistic, it is based on real facts. This book belongs to the series of ill-fated adventures where plot is perfectly mixed with traveler notes and sparkling humor of the author. The revenge is not over. . . because human wickedness knows no limits! Read other books from this series: next meeting is at another time and in another country, but with the same memorable author Natalia Mstisl'naya: Deadly cruise; I pack my suitcase and fly to Amsterdam!; The end of all problems etc. This item ships from La Vergne, TN.
