

My Science Journal

By Karla Ritzen

AuthorHouse. Paperback. Book Condition: New. Paperback. 124 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. My Science Journal is a book for intermediate elementary students to use while conducting experiments in science labs. Students are instructed on how to use the book to get the most out of each laboratory experience. Fun science facts will be found on each page, along with some interesting and useful math and science information found in the back of the book. Journaling has become an integral part of science education at all grade levels. This journal should be a must for each student in upper elementary science classrooms. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

Unquestionably, this is the best work by any author. Better then never, though i am quite late in start reading this one. I realized this publication from my dad and i advised this pdf to find out.
