PLANES IN ASCENSION: (A POETRY CHAPBOOK)

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.By use of an unusual confluence of narrative and poetic styles, the writings in this chapbook tell of a young man's spiritual resilience to escape from a dark world, the Plane of Descension, into a higher plane of existence, the Plane of Ascension. Indeed, in short form, and by strong use of metaphorical symbolism, this chapbook chronicles the development of the soul from birth, after trial and emancipation from the dark side, to an enlightened stage, and finally, to a stage of reflection, in preparation for departure. The poems transport the reader to higher places of existence, places hardly remembered or long forgotten where Bliss pervades the air, clings as static to the Seeker, enwraps those reclaiming what was lost in their distant past. The result is a unique type of poetry that uplifts and speaks the abstract language of the soul, where the subconscious and superconscious realms of Man intermix in subtle tones and vivid color.
