KARL POLANYI IN DIALOGUE: A SOCIALIST THINKER FOR OUR TIME (PAPERBACK)

BLACK ROSE BOOKS, Canada, 2017. Paperback. Condition: New. Language: English . Brand New Book. The contemporary left fights its political battles on various fronts: protesting the crippling structural inequalities that sustain neoliberal economic policy; developing sustainable, community-based alternatives to the consumerism and short-termism that exacerbate the environmental crisis; and advocating for the cultural recognition, emancipation and celebration of the diversity and pluralism of human identity. But despite this versatility the left appears to be in worldwide retreat whilst an aggressive new Alt-Right is taking to the streets and internet, regurgitating a regressive and patriarchal vision of society that has already won startling political victories in the US and Europe. Amid the vertiginous tension of such a crisis Michael Brie argues for an urgent theoretical and practical reorganisation of the left. Developing the work of philosopher and social theorist Karl Polanyi, Brie advocates an alliance of socialist liberals and libertarian commonists that unites contemporary campaigns for recognition, difference and human dignity with more traditional struggles for social welfare and economic democracy. Starting from Nancy Fraser's critical reappraisal of Polanyi in her article A Triple Movement? Parsing the Politics of Crisis after Polanyi (included), Brie powerfully reinterprets Polanyi's thought for present times, developing concrete proposals for a Polanyian political response to neoliberalism, an ascendant authoritarian right and the ongoing threat of global ecological disaster. Also included are two articles by Polanyi translated into English for the first time and Kari Polanyi-Levitt's Rosa Luxemburg lecture From the Great Transformation to the Great Financialisation. Michael Brie is a philosopher and political scientist and senior fellow of the Institute for Critical Social Analysis at the Rosa Luxemburg Foundation in Berlin. His research interests include the history and theory of socialism and state socialism, perspectives on solidarity in community and society, and the...
