

That Something: How One Man Learned the Secret and Transformed His Life: Now You Can, Too! (Paperback)

By William W Woodbridge

Createspace, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. That Something is a compact volume, succinctly telling the story of one man's discovery of the secret to achieving happiness, success - your life's desires - by transforming your life. Originally published in 1915, the main character shares his secret - so you can transform your life, too. From the Preface: Then Randolph Turned to me. Man, write that story you've told us. Write it so that every man may read. Send that message out into the world. If men will read that story, read and reread, until it is written on their memories, if men will believe the message you bring, and then if they will but awake that something within their souls that now lies asleep - I say if you can make men do this, you will have done more for mankind than any man or any thousand men have done in many, many years. Write it, man, write it word for word as you have told it here, so every man may read. Write it, man, write it! And so it has been written.
