BRITAIN'S PLACE IN THE GREAT PLAN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Then, looking for a moment at the many religions of the world, we find an expression used in most of them-and in all of them so far as the qualities shown are recognised and seen-that Life in the universe creates; that Life bodies itself in forms which it sustains and upholds; that Life, when the form no longer will yield to its impulse, breaks it and casts it aside, and regenerates for itself another form fitted for a further progress of the indwelling Life. So that in thinking of the Life as one, we recognise that it shows itself out in the worlds in this triple form which religion has often called a Trinity, which shows really aspects of the Life, manifestations of the Life, Life remaining ever ONE and showing itself out in this threefold fashion.
