Romans 10: 17 says, So then faith cometh by hearing, and hearing by the word of God. The more of Gods Word you hear the more faith will come. Individuals have the capacity to hear audibly and visually. Visual hearing comes by reading and hearing through the ear of the Spirit. So I ask that you open your spiritual eyes and ears and allow the voice of the Spirit to speak directly to your heart once again on this subject. Especially, if you are still single and wondering why. Now, let me ask you, are you a single female who has a desire to be married, but year after year find yourself still unmarried Well dont feel alone, there are countless other women finding themselves in the same situation. I believe this little book holds some keys that will unlock the mystery to your dilemma. If you will sit down and allow the truths and Godly principles found in this book to minister to your heart, and put them into practice youll be well on your way to enjoying your singleness in route to your married life. Being single is not a plague. It is a privilege. There are just as many benefits being single as there are being married.
