KITTEN S WINTER

Kids Can Press, Canada, 2014. Board book. Condition: New. Language: English . Brand New Book. Winter comes to Kitten s world, and the little calico leaves her cozy home for an afternoon of exploration and discovery. Kitten learns that even on a frosty day, animal life flourishes: a squirrel forages, an otter goes fishing and a woodpecker taps the side of a bare-limbed tree. At the same time, readers discover that for many animals, winter is a time of rest. Softly, Kitten treads past a burrowing turtle, a napping beaver and a hibernating bear. Told in rhyming couplets, Kitten s Winter is a perfect introduction to animal behavior and habitats. And its sumptuous, mixed-media illustrations make it ideal for beginning and pre-readers, who will delight in spotting all the different details of the season.
