SPRING AND SUMMER (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Learning to write is a developed skill that is essential to literacy and school readiness and success! This book of Spring and Summer Preschool Writing Development Workbook makes it fun to learn how to hold a pencil, control movements, and develop eye-hand coordination. Rather than starting with lines of alphabet letters to trace, this book offers colorful, attractive exercises to develop writing skills! Your child will enjoy following a worm through his underground tunnel or making his or her way through a spring shower. Chasing lightening bugs, ladybugs, and slithery snakes will also delight your child! Twenty writing practice pages are included in this book beginning with easy all the way to challenging, including an alphabet tracing page! You ll find tips on how to make this book reusable just inside! In addition, you will find connections to learning standards that these activities promote. Look at all the ways you can give your child an advantage on learning this important academic skill! * Learning to write is essential to learning to read! Writing helps children learn about reading and these sets also promote linguistic skills.also essential to literacy! You ll find lots of things to talk about with each page! * Eye-hand coordination and muscle strength are basic skills needed in writing and these books offer opportunities to develop both! * independence and persistence! Who doesn t benefit from these learning attributes? * Being able to control hand movements promotes self-regulation, the ability to stop, pause, and think.which is carried over to every other learning domain. * Opportunities to cross the midline of the body can promote brain development. * Practice makes perfect! Being able to practice something until it is mastered...
