

Learning About Forest Animals (Paperback)

By Jan Sovak

Dover Publications Inc., United States, 1998. Paperback. Condition: New. Language: English . Brand New Book. This fact-filled little book invites you to meet some of the fascinating creatures that live in the forest. Each easy-to-read page describes one of the 12 different woodland animals, among them the gray wolf, deer, black bear, moose, muskrat, porcupine, lynx, and five more. There s also a numbered space on each page to which you can apply a full-color, realistic sticker illustration of the animal described. Learning About Forest Animals is an easy and enjoyable way to learn important facts about many interesting animals that make the forest their home.
