HarperCollins Publishers Inc, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. Raising Cane Abigail Timberlake Washburn understands the antiques game is a gamble -- so she doesn't know what to expect when she wins the bidding for the contents of an old locker that has been sealed up for years. It's a delightful surprise when she discovers inside a collection of exquisite old walking sticks -- and a not-so-delightful one when she pulls out a decrepit gym bag containing . . . a human skull! The last thing the diminutive South Carolina antiques dealer needs is to be suspected of foul play. So she grabs her chatty assistant (and future sister-in-law), C.J., and heads out to search for a killer they can stick it to. But this cane case will be no walk in the park -- with its arcane clues hinting at poaching, counterfeiting, smuggling . . . and homicide, of course. And when a fresh corpse turns up, things are about to get really sticky for Abby and her staff of one.
