

Applied International Finance II: International Capital Budgeting, Second Edition (Paperback)

By Thomas J O'Brien

Business Expert Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This volume is the second of a three-volume set designed for use in a course in applied international corporate finance for managers and executives. This volume's issue is how uncertain foreign exchange (FX) rate changes affect a firm's ongoing cash flows and equity value, and what can be done in terms of hedging this risk using financial instruments. The accounting implications are also considered. Numerous examples of real-world companies are used. The volume contains a hypothetical case that ties the material together. The first volume reviews some basics of FX rates: Introduction to Foreign Exchange Rates, 2nd edition, Business Expert Press, 2016. The third volume deals with the estimation of the cost of capital for international operations and the evaluation of overseas investment proposals: Applied International Finance II: International Cost of Capital and Capital Budgeting, 2nd edition, Business Expert Press, 2017.

Reviews

The best book i actually go through. It can be full of wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Prof. Greg Herzog

This written publication is fantastic. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of your respective time (that's what catalogues are for concerning should you ask me).
