## THE GODS ARE WATCHING (PAPERBACK)

[DOWNLOAD](#)

Bloomsbury Publishing PLC, United Kingdom, 2004. Paperback. Condition: New. Language: English . Brand New Book. A page-turning thriller from an acclaimed writer. Set in ancient Egypt, this is the story of a young boy, Varro, and his flight from danger as he is pursued along the River Nile by an opportunistic lord. He is believed to be carrying something very valuable - but has no idea what it could be. Full of authentic detail about ancient Egypt, rich imagery of the lush delta plains and the forbidding stone-carved monuments to gods, and exciting, nail-biting tension. The story culminates in an exciting face-to-face encounter with the legendary pharaoh. Acclaim for the series: .a quartet of books with robust child appeal .the brief is clearly to appeal to those recently emerging from reading schemes but requiring continuing support. But the stories have a fresh originality that will make them great favourites - Lindsey Fraser, Guardian Education Book of the Week, 13/05/03.
