The struggle to stay alive has leveled out. The Survivors have found their place in the wilderness and The Nation is growing. Life is good for those who are lucky enough to be there. But out in the real world it s a different story. The dead are taking over. The cities, the countryside, small towns and villages, everywhere the living go the dead are there. And they are not just there, they are in charge. Superior to the living. Infinitely more adaptable to the new world. Stronger, smarter, focused. Determined to make the world free of the living. A supply trip with Mike, Ronnie and a few others turns into The Nations first real clash with the dead, resulting in death for some of The Nations own. They also meet a new group of survivors that will become their strongest allies in their fight against the undead. But there is little time to mourn that loss. The dead are pushing...
