Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Cowper: Illustrated by a Series of Views, in or Near, the Park of Weston-Underwood, Accompanied With Descriptions The Mill, referred to in the fifth book of The Task, is entirely demolished, and, but for a few scattered stones, the place where it stood would be forgotten. It was situated in a meadow at the foot of Clifton Hill, near Olney, and, from the romantic beauty of the surrounding scenery, could not escape the discriminating eye of Cowper. In the later editions of Cowper's Poems, a piece is introduced, called The Poplars, the destruction of which he deplores. They may still be traced on the ground by remaining shoots; but when we conceive that the vale which appears, was formerly occupied by a race of noble trees, only two of which remain, we lament, with the poet, the havoc of the axe, and take up his plaint, when he says. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
