There are ten bodies buried in the mountains on the Greek island of Kolasios. Maybe more. Callum should know. He put them there. Callum, however, has recently been a little distracted. Ex-Pat is the ferocious and first-hand account of one mans brutal rampage across a chaotic land. Callum and his wife have moved from London to Kolasios. It is an elemental place. In the summer it is almost too hot to breathe. In the winter the island is battered by violent winds and murderous storms. The weather and isolation can play strange tricks on the mind. His victims are selected at random and laid to rest in a mountain graveyard overlooking the islands breath-taking scenery. Greece is changing. Paradise is being re-branded by an army of commerce. It is inevitable. The jealous old rogues who have reaped the rewards for so many years will soon be side-lined and forgotten. The new order will sweep through the island...
