University Press of Kansas. Paperback. Book Condition: new. BRAND NEW, Freedom and the Court: Civil Rights and Liberties in the United States (8th), Henry J. Abraham, Barbara A. Perry, Since its original publication in 1967, "Freedom and the Court" has become the standard text on civil liberties law, with more than 100,000 copies in print. This classic is now updated to cover Supreme Court decisions through 2003 and address essential questions of how to reconcile civil liberties especially personal privacy with national security in the aftermath of 9/11. Henry J. Abraham and Barbara A. Perry continue to portray the intriguing human stories behind landmark constitutional law cases as they focus on fundamental issues of individual rights relating to freedom of religion, separation of church and state, freedom of expression, due process, and political, racial, and gender equality. This eighth edition of Freedom and the Court delineates recent pathbreaking developments by the Rehnquist Court in civil rights regarding abortion, affirmative action, capital punishment, computers and the Internet, and the Americans with Disabilities Act. It also analyzes the narrowly divided Court's controversial return to a more state-centered jurisprudence and to certain pre-New Deal, pro-business commitments. The book's coverage ranges widely to consider criminal rights in light of the 1990s war on crime, free speech cases involving everything from campaign finance to nude dancing, and equal protection pertaining not only to minority litigation but also to the "Bush v. Gore" decision whose first oral argument (for the Palm Beach County case) the authors attended at the U.S. Supreme Court. It also explains the ongoing impact of the Court's invalidation of the Religious Freedom Restoration Act of 1993, and it continues to include comprehensive charts for cases involving freedom of religion, separation of church and state, and gender that are unmatched by any other...
