Universal Publishers, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Fresh from the magic kingdom of Joyce s Finnegans Wake, this non-academic author ushers us line-by-line into the shadows of Kafka s spectral bug theater. He walks the bug back along hints left by Kafka as to what happened the night before, why that night was different from all other nights. In this reading, father Samsa betrayed his first-born and needy son Gregor by declaring him unwelcome at home, even though Gregor was paying the rent. Stimulated by this betrayal of blood by blood, the twilight zone opened momentarily allowing father s brutality to transform the son into a giant bug. Three months later, the combined protective forces of Easter and Passover are necessary to finally put the creature to rest: Easter for his spirit and Passover for his bug body. Using then-current formulas from psychoanalysis as to hysterical conversion and from psychodynamics as to the human energy system, this explanation locates in a story often found mysterious a coherent path to the lack of memory by Gregor of these events and the reason for his hard back and soft underbelly. As the author sees it, irony fuels the title because the metamorphosis changed Gregor s exterior but not his inner nature, his indestructible love for family, while just the opposite happened to his convenience-loving family. And irony fuels the results because father Samsa got just the lazy and dependent son he criticized Gregor for being in wanting to stay at home. The author traces how Kafka uses verb tense and aspect, psycho-narration, as well as changes in the narrator s voice to make meaning in this drama theater. In the last act and after Gregor is disposed of by a...
