

The Bereaved Parent (Paperback)

By Harriet Sarnoff Schiff

Penguin Books Ltd, United Kingdom, 1978. Paperback. Condition: New. Reprint. Language: English . Brand New Book. This is the classic book for parents whose child has died - and for all who want to help them. Many such parents feel that no one can help because no one can understand the complex ramifications of their tragedy: the exhaustion, the quarrels with mates, the sleeplessness, the panic, the inertia, the horror of laughter - all the seemingly endless aftermath of sorrow and despair. Yet, because she herself is a bereaved mother, Harriet Sarnoff Schiff is able to give genuine comfort. If you have lost a child, you know that pain like yours cannot be erased, and Schiff does not attempt to do so. Instead, she offers guidelines and practical step-by-step suggestions to help you cope with every stage of grief, from facing the funeral to rebuilding your marriage. Her book will convince you that you, too, can find your way back to the land of the living.
