Dutton Books for Young Readers, United States, 2011. Hardback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book. At first glance, Duncan Dorfman, April Blunt, and Nate Saviano don't seem to have much in common. Duncan is trying to look after his single mom and adjust to life in a new town while managing his newfound Scrabble superpower - he can feel words and pictures beneath his fingers and tell what they are without looking. April is pining for a mystery boy she met years ago and striving to be seen as more than a nerd in her family of jocks. And homeschooled Nate is struggling to meet his father's high expectations for success. When these three unique kids are brought together at the national Youth Scrabble Tournament, each with a very different drive to win, their paths cross and stories intertwine . . . and the journey is made extraordinary with a perfect touch of magic. Readers will fly through the pages, anxious to discover who will take home the grand prize, but there's much more at stake than winning and losing. With shrewd observations, wry humor, and a touch of whimsy, bestselling author Meg Wolitzer's classic storytelling will delight readers of all ages.
